

Healing HeARTs Magnetic Tic-Tac-Toe Board  
Create a tic-tac-toe board to enjoy with friends and family!

Materials Provided:

1 Tin Box  
10 Magnets (+2 extras)  
1 Gold Square Sticker with Grid (+1 extra)  
10 Colored Stones (+ 2 extras)  
15 Mini Glue Dots

Instructions:

- 1) We suggest watching our easy video instructions at [www.hharts.org](http://www.hharts.org).
- 2) Peel off one gold square sticker with grid. Stick it – centered – on the top of the tin box cap.
- 3) Remove the white paper backing from one glue dot square. Firmly press a colored stone onto the glue dot. The glue dot should stick to the colored stone. Peel away the clear plastic from the glue dot and stone (you may need to use your fingernail to separate the clear plastic from the glue dot and stone). Firmly press the stone and glue dot onto one side of a magnet. Repeat with 9 more stones, glue dots and magnets to make a total of 10 tic-tac-toe pieces (5 of each color).
- 4) Store your pieces inside the box. Each time you play, you will have one extra tic-tac-toe piece.

Have fun!!
